

Catalog of Record

Students are expected to meet the catalog requirements in effect at the time of their enrollment into a curriculum program. Anyone not in continuous enrollment for more than one year (not including Summer) will be readmitted under the requirements of the catalog current at the time of their re-enrollment. A student who changes programs must meet the requirements of the catalog in effect at the time of the change of program.

The Catalog of Record is established for the convenience of the College and to inform a student about the curriculum expectations at the time of a student's enrollment. The Catalog of Record is not a contract between the College and its students. The College can modify or eliminate curriculum programs without regard to any Catalog of Record. Whenever reasonably possible, the College will attempt to provide prior notice to students about curriculum and policy changes, but such changes may be implemented at any time. Whenever a policy or curriculum change adversely affects a student's course of study established under a particular Catalog of Record, the College will attempt to advise the student about their options and course of study consistent with the College's accreditation requirements and policies and North Carolina law and regulation.
